BURLINGTON, Vt., March 7th, 1861.

Dear Friends—We avail ourselves of this method to inform you that we have repeatedly made an examination of Brandy, Whisky, Gin and Wine, with which the Chittenden County Agency at Burlington, has been mainly supplied from your House for the past three years, also specimens from other Agencies in the State prepared from you.

We have found them invariably of full strength and uniform quality, superior in every respect to specimens for sale in other stores. For medicinal uses they have fulfilled our expectations, and received our unqualified approval, and with no hesitation we confidently recommend them to those who supply themselves with Liquors upon which they can rely for purity and strength. We are,

Your most obedient servants,
